

VDH AND PROJECT FIRSTLINE NEED YOUR INPUT!

The Vermont Department of Health is participating in Project Firstline, a Centers for Disease Control and Prevention initiative to provide engaging, innovative, effective, and foundational infection control training to Vermont's frontline and public health care professionals. We invite you to participate in two ways:

1

COMPLETE A 15 MINUTE SURVEY

This is open to all frontline healthcare workers in Vermont. Those that complete the survey by January 29, 2021 and provide their email address will qualify for a drawing for one of five \$50 Amazon gift cards.

[Click here to access the Survey.](#)

2

PARTICIPATE IN A LISTENING SESSION

Please register for the session most appropriate for your professional role. All attendees that participate and complete a short feedback survey will receive a \$25 Amazon gift card.

Session 1 - EMS

January 14, 2021

6:00 - 7:00 pm ET

Audience: EMS Providers

[Click Here to Register](#)
